The Clinical Skills Unit (CSU) is a clinical teaching and assessment facility that offers a stimulating and innovative space to learn clinical skills. It is a fully simulated ward with patient couches/beds, various manikin, emergency setup and movie setup. The manikin – SimMan, SimBaby and Harvey – are state-of-the-art simulators that allow medical students to safely apply and practice their clinical knowledge. CSU is also an excellent environment for shooting scene, to conduct exams, workshops and training up to 60 people.
