

PERDANA UNIVERSITY

POSITION DESCRIPTION

Job Title: Lecturer/ Senior Lecturer/Associate Professor

Disciplines: Surgery

Reports To: Dean, Perdana University Graduate School of Medicine (PUGScM)

Department/Branch: Perdana University Graduate School of Medicine (PUGScM)

JOB OBJECTIVE

The principal objective of the post is to participate in the conduct and teaching the above speciality at PUGScM.

ACCOUNTABILITIES

- Orchestrate and oversee daily student activities on respective clerkship (including bedside rounds, discussions, tutorials, and other similarly related educational activities) in accordance with the curriculum and provide ongoing formative feedback to students
- Involvement in student didactic sessions.
- Objectively assess core competencies required of all PUGScM students.
- Liaise with Ministry of Health consultants, house/medical officers, and PUGScM.
- Discuss student progress at frequent intervals with relevant faculty at PUGScM.
- Review and revise respective specialty curriculum in concert with other Clerkship Site Directors, Director of Clinical Clerkships and Vice Dean of Education & Student Affairs.
- Conforming to accreditation requirements as required by MQA, MMC and other accreditation bodies
- Undertake research activities.
- Actively learn about good practices in medical education.
- Participate in medical education activities of the assigned Hospital or Health System.
- Other duties as determined by the Dean of PUGScM.

This is not intended to be an exhaustive list of all duties and responsibilities. The employee may be required to carry out other duties and responsibilities as may reasonably be required

REQUIREMENTS:

- Completion of a recognised Undergraduate/post- graduate degree in the respective field of specialty.
- Five (5) years previous academic and/or post specialization clinical experience is advantageous.
- Interest for research.
